## Hisatsu Orange Railway

Hisatsu Orange Railway stops at 28 stations between Yatsushiro City in Kumamoto Prefecture and Satsumasendai City in Kagoshima Prefecture. On the train ride, you can enjoy the beautiful coast lines along the East China Sea and the Shiranui Sea, as well as the wonderful view of citrus fruit farm lands. Satsuma Kaido, the road taken by famous warlords during the feudal times, runs parallel to the railway. The historic townscape and sites have been carefully preserved to pass down the taste of those days.
