28 stations connecting Yatsushiro City in Kumamoto Prefecture and Satsumasendai City in Kagoshima Prefecture.

Some advantages of traveling with the Hisatsu Orange Railway

1. Enjoy the beautiful view from the train windows
Please enjoy the slowly changing scenery from the window. You may encounter the gorgeous scenery of the west coast of Kyushu colored in the orange hues of the evening glow. Colorful mountains with orange groves and country roads with a local feeling are also pleasing.

2. Explore along the railroad
Why don't you explore along the railroad? It's nice to stroll around, and it's also nice to ride a bicycle. Rental bikes are available at seven stations (*) and you can even take them on the train.
*Stations: Yatsushiro, Sashiki, Shin Minamata, Minamata, Izumi, Akune and Sendai

3. Charter the train for your private group!
Enjoy parties with your friends by chartered train travel! There are various ways to enjoy traveling the routes. You can stop for hot springs along the railroad or raise a toast while enjoying a superb view.
